## Partnerships & Support

The Kadence Legacy Fund is proud to collaborate with a network of dedicated partners to ensure the success of our *One Dog, One Life* program. These partnerships reflect our shared commitment to **veteran rank**.

### Our Key Partners

#### Holdfast K9 & John Dugas

Holdfast K9, led by **Alberta-Certified Service Dog Trainer John Dugas**, brings years of experience in military and specialized canine training. Their advanced methods ensure every service dog placed meets the **highest standards of temperament, responsiveness, and reliability**. This year, Holdfast K9 has generously committed **\$10,000 toward the training of K9 Morgan**, th

#### Boots to Barbells

An Alberta-based nonprofit organization led by veterans, Boots to Barbells focuses on **veteran wellness and career transition**. Their **“Keeping the Strength in Your Service”** program **accredited personal training certification**, designed to make career transitions accessible, supportive, and achievable for veterans across Canada, regardless of location or fitness background. Their partnership strengthens community support, outreach, and holistic care for participants in the *On* program.

### Partnering With Us

The Kadence Legacy Fund is always looking to collaborate with local businesses, organizations, and compassionate individuals. Together, we can extend our reach, provide more service dogs, and offer scholarships to those in need.

#### Ways to Partner:

- **Corporate or Small Business Partnerships:** Support our mission through sponsorships, co-branded merchandise, or event collaborations. Share in the impact while promoting your business.
- **Fundraising Campaigns:** Create campaigns that directly fund the care, training, and placement of service dogs.
- **In-Kind Support:** Donate products, services, or resources that help us train, care for, and place our dogs.

---

Your generosity helps cover the ongoing costs of raising, training, and caring for service dogs, including food, veterinary care, equipment, and professional training. Every contribution — whether \$50, \$100, \$250/month, or a one-time gift — directly transforms lives, bringing hope and independence to those living with PTSD.

 **Carry Kadence's Legacy Forward**

By partnering with the Kadence Legacy Fund, you help ensure that no one walks through trauma, grief, or PTSD alone. Together, we can create a future where every individual in need has the support of a service dog.
